Arrival Information

Please proceed to your lodging using the directions below, drop off your things, and then return your cars to the main River's Bend Parking Lot for the duration of your retreat. This allows us to sustain a more scenic environment for all guests.

Circle, Cloud, Blackberry Lodge & Manitou Lodge:

Upon entering River's Bend, keep straight on the driveway, passing the River's Bend sign on your right and the garden on your left. Cloud is on the right, just past the white Farmhouse. Circle is directly in front of you. For Blackberry and Manitou - curve left around the garden. Blackberry is first on the right and Manitou next on the right. The garden will be opposite your lodges.

Sunset Lodge & Rustic Cabins (Bay, Maple Leaf, Sorrel, Live Oak):

Upon entering River's Bend grounds take a right on the gravel road just after the River's Bend parking lot, following the sign to "office and campground"; follow this little road as it curves left around Earth House (the house with a grass roof). Sunset is the large Lodge on your left. For Rustic cabins and Morning Sun Lodge, please continue down the hill and curve left. The rustics are the first 4 cabins on the right: Bay, then Sorrel, Maple Leaf and Live Oak. Please park your cars so that others can get by, unload, and return your cars to the parking lot as soon as you can.

Tent Cabin/Camping –

Upon entering River's Bend grounds, follow the sign to "office and campground" right just past the parking lot. Keep straight, staying to the right side (upper side) of the meadow and continuing all the way down to the campground where you will see bathrooms and Tent Cabins. You may camp anywhere you like. Please be aware of other campers if you arrive after dark. **PLEASE DO NOT DRIVE ON THE LOWER SIDE OF THE CAMPGROUND MEADOW. CARRY YOUR THINGS TO THE TENT CABINS IF POSSIBLE. THIS IS NOT A CIRCULAR DRIVEWAY. PLEASE RETURN TO THE SMALL CAMPGROUND PARKING SPACE AND PARK YOUR CARS AND WHEN YOU LEAVE COME OUT THE WAY YOU CAME IN. THANKS!**

Thanks so much for your cooperation!!
